

## MSD CHECKSHEET

**Concentration:** Interior Design (INT)

<b>MSD Research Core (6 hrs)</b>	DSC 500 Research Methods in Design (3 hrs)
	<b>Select one of the following courses:</b>
	DSC 501 Qualitative Research in Design (3 hrs)
	COE 502 Introduction to Data Analysis (3 hrs)
	COE 503 Introduction to Qualitative Research (3 hrs)
	EDP 550 Introduction to Measurement in Education (3 hrs)
	EDP 552 Multiple Regression and Correlation Methods (3 hrs)
	QBA 502 Managerial Decision Analysis (3 hrs)
<b>INT Core Courses (12 hrs)</b>	<b>Select four of the following:</b>
	DSC 520 Contemporary Design Issues (3 hrs)
	DSC 527 Modern Design Theory (3 hrs)
	DSC 529 Design Criticism (3 hrs)
	DSC 598 Facilities Planning and Management I (3 hrs)
	DSC 598 Facilities Planning and Management II (3 hrs)
	IND 548 Design for Sustainable Development* (3 hrs)
	INT 531 Advanced Computer Modeling* (3hrs)
<b>Electives (12 hrs)</b>	<b>Select four of the following or alternative coursework to be determined between student and faculty advisor or chair of thesis/ applied project committee, but suggested ones listed below:</b>
	DSC 580 Practicum: Methods and Teaching Design (3 hrs)
	SOS 511 Quantitative Methods in Sustainability (3hrs)
	SOS 598 Human Dimensions of Sustainability (3hrs)
	SOS 532 Urban Growth (3hrs)
	SOS 534 Sustainable Energy and Material Use (3hrs)
	ATE 451 Building Systems I (3hrs)
	AAD 515 Current Issues and Topics (3hrs)
	ATE 598 Environmental Ratings Systems for Buildings (3hrs)
<b>MSD Culminating Experience (6 hrs)</b>	DSC 593 Applied Project (6 hrs)
	<b>or</b>
	DSC 599 Thesis (6 hrs)

Students wishing to focus on Facilities Planning and Management should include DSC 598 (I and II) in their POS; students wishing to focus on Methodology/Theory/Criticism should include DSC 520, DSC 527, and DSC 529 in their POS.

\*Courses with an asterisk have yet to be approved.

Revised 7/2009
