Applying To Pass Degree Milestone—Continuing To Second Year

For students that have completed (or are currently enrolled in) INT 111, 120, 121, 123, 131, 221, and 222 and have earned a letter grade of “C” or better.

Applying to pass the degree milestone requirement is competitive and limited by available spaces. Students who want to apply to other programs must submit separate applications for any of the other programs. Transfers into programs are considered only on a space available basis, and such transfers are limited to students with equivalent course work who are competitive with continuing students (see “Transfer Students and Transfer Work”). Transfer students must be admitted to ASU prior to the application deadline to be eligible to apply online to pass the degree milestone. Students that do not pass the degree milestone should see an academic advisor if they need assistance.
