program in 2021 are encouraged to resubmit in the following year.

- Please email designmail@asu.edu to receive access to the Milestone application if you are not able to.

Late submissions may be accepted on a space availability basis. Contact your academic advisor for more information.

Deficiencies

Students should have completed (or be currently enrolled in) ALA 100, 102, 121, 122, 124, ENG 101 and MAT 170 with a “C” or better or have received equivalent transfer credit for these courses.

A deficiency in any ALA lecture course (ALA 100, 102) could result in a conditional admit to the 2nd year of the program. If conditionally admitted, all ALA lecture courses must be completed by the end of the second semester of 2nd year (Spring 2021).

A deficiency in a required MAT or ENG course could result in a conditional admit. Students are required to immediately and continuously be enrolled in MAT and ENG courses to meet the requirements for the major; dropping or withdrawing from these courses could impact the student’s eligibility to continue in the program.

It is expected that any deficiencies in the first year required non-major courses will be completed by the end of summer 2022.
